

You can make a difference.

In neighborhoods.
In schools.
In classrooms.

Help students succeed,
become confident, and excel.

Give hope to children who need to
be told "you can do it, I believe in you."

WHAT IS CITY YEAR?

City Year is a non-profit organization that unites young people of all backgrounds for a year of full-time service, giving them the skills and opportunities to change the world. As tutors, mentors, and role models, these young leaders make a difference in the lives of children and transform schools and neighborhoods. City Year is a proud member of AmeriCorps.

WHAT WILL YOU DO?

At City Year's locations across the United States, young people called "corps members" serve full-time for 10 months, each providing more than 1,700 hours of service.

School-Based Service

Corps members serve in schools as tutors, mentors, role models, and leaders of after-school programs. This school-based service is at the heart of City Year's "Whole School, Whole Child" approach to creating positive change in the lives of children and their school environment.

Youth Leadership

One of the important ways corps members share their belief in service and their commitment to helping children is by leading programs that give elementary, middle, and high school students the opportunity to make a difference.

Community Transformation

City Year corps members engage community members, corporate partners, and civic leaders to transform communities. Projects include painting murals, planting gardens, creating playspaces, renovating schools, and revitalizing community centers.

WHAT WILL YOU GAIN?

A year with City Year is unlike any other. By joining, you will make a difference in the lives of children, make strong friendships, and do your part to make the world a better place.
