

# The Power of One

## A Talk by and Conversation with Doris “Granny D” Haddock

Friday, August 15<sup>th</sup>, 7:30 pm  
At South Church, 292 State St, Portsmouth NH

**Every one of us is needed to create a better world.**

We also need **public funding of elections**. By changing our election funding system our priorities for peace, the environment, alternative energy, education, poverty, healthcare and so much more can finally get the attention they deserve.

*NH's own Granny D's inspiring campaigns for peace and justice include:*

*In 1999, at the age of 90, she walked across the US to advocate campaign finance reform. In 2004, she did a 26,000 mile working women voter registration effort, then returned to NH to challenge incumbent Judd Gregg for US Senate.*

Free and open to the public.

Refreshments and a book signing will follow the program.

**\*From 5:00-6:00pm join Granny D for the Peace Vigil - and music from the Leftist Marching Band! - Market Square, Portsmouth.\***
