

Seacoast Peace Response Welcome Night!

February 8th, Thursday, 7pm

At the Dover Friends Meeting House, 141 Central Avenue Dover, NH

SPR would like to welcome YOU to our group!

Seacoast Peace Response (SPR) is an activist group based in the NH/Southern ME Seacoast area promoting peace and justice worldwide. We have worked for six years to foster dialogue within the community through public programming and nonviolent action and work to turn US policy towards peace and away from war and violence.

Whether you are just hearing about us, or know us but would like to become more involved with our organizing and volunteer crews, we'd love to see you there.

We'll have refreshments, talk about SPR's history and current structure and process. We'll let you know about our programs, needs and opportunities for volunteers.
