

Veterans Say: War is Not the Answer!

Film Series Presents:

“War Made Easy”

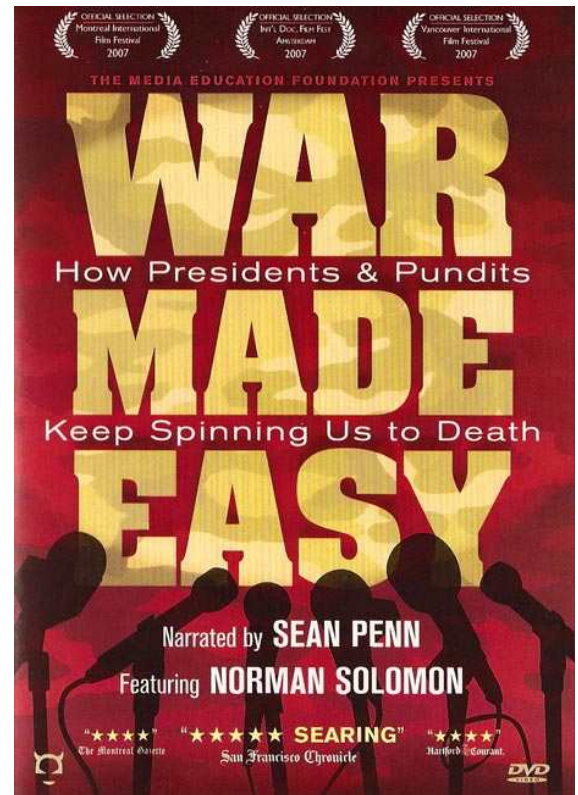

How Presidents and Pundits Keep Spinning Us to Death

Friday, September 14th, 7pm

at the First Unitarian Universalist Society, 12 Elm St, Exeter NH

War Made Easy exposes a 50-year pattern of government deception and media spin that has dragged the US into one war after another from Vietnam to Iraq.

The film exhumes remarkable archival footage of official distortion from LBJ to George W. Bush, revealing in stunning detail how the American news media have uncritically disseminated the pro-war messages of successive presidential administrations.

Free & Open to the Public. Discussion follows.
